UF/IFAS Endowment Growth

Endowments are permanent, named funds that provide annual, renewable support for donor designated UF/IFAS programs. The endowment donor designates the use of endowment earnings for a UF/IFAS area or program of choice. The minimum gift required to establish an endowed fund is $30,000.

Endowment assets are managed and invested by the University of Florida Foundation through the University of Florida Investment Corporation (UFICO), created in 2004 to manage UF’s investment portfolio. As of June 30, 2014, there are more than 250 UF/IFAS endowment funds valued at more than $113 million that were established by individual alumni, businesses, organizations, associations and friends.

Recognition

Your gift to UF/IFAS is important to you — and it’s important to the university. We want to make sure you feel appreciated.

Regardless of the size of your gift, you will receive a thank you letter to acknowledge your donation. Larger gifts may receive greater recognition. However, if you choose to remain anonymous, we will make certain to honor your request. As gifts grow larger, you may qualify for recognition in our Honor Roll of Donors or inclusion in the President’s Council, our premier recognition society.

In all cases, we believe the greatest appreciation we can show is through the responsible use of your gift. That’s why being good stewards is one of our highest priorities.
